all your direct
marketing
arrives on time
and optimise
postage costs.

Your campaigns deserve every chance of hitting their mark - and our preparation and worldwide delivery services make sure this becomes a reality.

Our expertise covers catalogues, brochures, leaflets, marketing and promotional letters, helping you flexibly and reliably target and distribute to potential and existing customers.

Benefits

We're great at finding solutions for any new direct marketing campaign. Whether you need something simple or sophisticated, we can help.

Along the way we provide constant support and advice, and a wide range of services and benefits such as:

- Maximising the response rate.
- Improving your return on investment.
- Minimising mailing waste.
- Optimising delivery costs to each country and preparing distribution efficiently.
- Offering expert advice on how to simplify international direct marketing.

- Simple processes; making international direct marketing campaigns easier to undertake.
- Fast to implement; requiring minimal preparation.
- Facilitating reliable distribution and simultaneous dispatch to multiple countries.
- Providing truly global solutions with advantageous rates to many destinations.
- Bringing you a variety of delivery options with differing costs and speeds.
- Allowing a low minimum quantity, making our services accessible to most businesses.

Hear what our customers are saying:

« Our team would recommend Asendia to any organization looking for a mailing partner »

Concept and planning

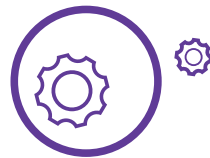

With our knowledge and expertise, we can help you target the right audiences and create effective direct marketing campaigns.

We offer support in connecting with your desired market through expert insight on specific target groups and customer behaviour.

We can also advise you on your mail creation so that your mailings are as effective as possible.
